

HPC User Forum

Princeton, NJ

Due to growing concerns around the coronavirus (COVID-19), we have decided to reschedule the HPC User Forum event originally planned to take place March 30-April 1 in Princeton, New Jersey. Of utmost importance to us is the health of our HPC User Forum attendees, Hyperion Research staff, HPC User Forum Steering Committee members and invited speakers.

All paid registrants will receive a full refund within 10–12 business days. If you do not see the credit on your statement by then, please reach out to hyperion@metroconnections.com or jeansorensen@hyperionres.com. All hotel reservation requests at the planned venue (Marriott Forrestal, Princeton) will be cancelled.

HPC User Forum sponsors for this event will be contacted directly by the appropriate Hyperion Research account representative.

Details about the rescheduled event will be announced as soon as possible.

We apologize for any inconvenience due to this unforeseeable circumstance.

Thank you.
