The Disruptive Technologies Panel
Disruptive Technologies Panel

How the panel works:

1. First each panel member will briefly (in 5 to 6 minutes) present their view of one or two disruptive technologies that could change the HPC industry
   - No sales or marketing slides are allowed

2. Then we will ask each panel member to respond to a few key questions about the technologies that they presented
Disruptive Technologies Panel

Panel Members:

- Dell
- D-Wave
- IBM
- Lenovo
- Mellanox
- Ryft
- Seagate
- Cray
Disruptive Technologies: Question #1

Panel Discussion
For the disruptive technologies that you presented:

What is most needed to bring it to market faster or with more certainty?
Panel Discussion
For the disruptive technologies that you presented:

What parts of the market will use it first – and will it likely become a mainstream technology?
Panel Discussion
For the disruptive technologies that you presented:

What partners (if any) would you like to help bring it to market sooner?
