

# Welcome To The Disruptive Technologies Panel

# Disruptive Technologies Panel

## How the panel works:

- 1. First each panel member will briefly (in 5 minutes) present their view of one or two disruptive technologies that could change the HPC industry**
- 2. Then we will ask each panel member to respond to key questions about the technologies that they presented**
- 3. Then we will have a Q&A session**

# Disruptive Technologies: Question #1

## Panel Discussion:

For the disruptive technologies that you presented:

**What is most needed to bring it to market faster or with more certainty?**

# Disruptive Technologies: Question #2

## Panel Discussion:

For the disruptive technologies that you presented:

**What parts of the market will use it first – and will it likely become a mainstream technology?**

# Disruptive Technologies: Question #3

## Panel Discussion:

For the disruptive technologies that you presented:

**What supporting technologies are required to make it a major success?**

# Disruptive Technologies: Question #4

## Panel Discussion:

For the disruptive technologies that you presented:

**What partners (if any) would you like to help bring it to market sooner?**

# Questions?
