

Welcome To The Disruptive Technologies Panel

Disruptive Technologies Panel

How the panel works:

- 1. First each panel member will briefly (in 5 minutes) present their view of one or two disruptive technologies that could change the HPC industry**
- 2. Then we will ask each panel member to respond to key questions about the technologies that they presented**
- 3. Then we will have a Q&A session**

Disruptive Technologies: Question #1

Panel Discussion:

For the disruptive technologies that you presented:

What is most needed to bring it to market faster or with more certainty?

Disruptive Technologies: Question #2

Panel Discussion:

For the disruptive technologies that you presented:

What parts of the market will use it first – and will it likely become a mainstream technology?

Disruptive Technologies: Question #3

Panel Discussion:

For the disruptive technologies that you presented:

What supporting technologies are required to make it a major success?

Disruptive Technologies: Question #4

Panel Discussion:

For the disruptive technologies that you presented:

What partners (if any) would you like to help bring it to market sooner?
